Let's work together for our members

For our community

For the future generations to benefit

## Committee meetings

It is a new year and you may be planning new events or you may like new involvement.

If so The NCVA are writing to you to request information about when your future committee meetings are.

If it is possible we would like to send a representative to attend your meetings in the future so that we can brief your committee members about things that the NCVA need help with, as well as, share information which could help *your* membership.

We hope that there is a mutual understanding that we are all working for the same cause i.e. to benefit our members and better the future of our community.

We will of course continue to invite you to our meetings so that you can also have a slot if and when you need it.

We simply ask that you inform the secretary, Paresh Gandhi, about what you would like to discuss and how long you might need. We will extend this same courtesy to yourselves.

You can reach on Paresh Gandhi at [paresh@pgasolicitors.co.uk](mailto:paresh@pgasolicitors.co.uk).

If you feel that this idea can be improved in any way please let us know.

Thanks  
Heena Modi

Jain Spiritual Care

Are you planning new events?

If so The NCVA requests that you keep us and the wellbeing of your Jain members in mind, when planning and marketing for future events.

If it is possible we would be grateful for a 10 - 20 minute slot so that we can inform members about Jain spiritual care provision in hospitals and how we are trying to create & improve it.

This would work well if you organised a health orientated event or a seminar of some sort, rather than, something like Navratri where the attendees would probably want to dance & socialise.

Again, we hope that there is a mutual understanding that we are all working for the same cause i.e. to benefit our members and better the future of our community.

If you are not happy to be involved with this project please let us know at the earliest.

If you feel that this will benefit your members we ask you inform the secretary Paresh Gandhi, when and where the event will be, as well as, when you would like us to make the presentation.

You can reach Paresh Gandhi at [paresh@pgasolicitors.co.uk](mailto:paresh@pgasolicitors.co.uk),

If you feel that this plan can be improved in any way please let us know.

Thanks  
Heena Modi

Content for the Vanik Voice

I am compiling articles for future issues of Vanik Voice and wondered if there is anything you would like us to include in it.

The NCVA have a regular newsletter and because you are an affiliated member we would like to ensure that the good work you do is sung from as many rooftops as possible.

I appreciate that you have your 'own ways' of sharing this news and I'm sure that it is very effective. I feel that 'spreading' this news via more media will serve us all. By all, I mean our members, our community; the future.

Here are some suggestions of things that could be included in the Vanik Voice: -

Reports or reviews of past events  
Details of future events  
Information/articles that would help the readership

If you can think of anything else please let me know. Also please send all material to [vanikvoice@googlemail.com](mailto:vanikvoice@googlemail.com)

Please send the content in font size 10, Calibri font, by email or attachment.

Thanks  
Heena
